

INSTRUCTION TRAVEL APP

Dear AugustusTours guests,

For your booked tour, our digital travel guide is available as an app for your smartphone. It contains maps, routes and important points of interest, such as hotels, restaurants, sights and much more.

NICE TO KNOW: Everyone who gives us feedback on the travel app after the tour, will receive a travel voucher worth 25 euros (valid until 31/10/2024).

Reisen so individuell wie Sie!

1. Download and install the travel app „Guibo“ from your App Store

Google: <https://play.google.com/store/apps/details?id=com.schneidergeo.guibo>
Apple: <https://apps.apple.com/at/app/guibo/id1375069250>

The validity period of the personal route book is limited (usually 4 weeks prior to arrival to 2 weeks after departure).

2. Registration

After installation please enter your registration data:

Organiser ID AUG

Booking number (e.g. 23061354)

- The booking number corresponds to your 8-digit invoice number after the dash (without the first three digits, without hyphen).
- You will find the invoice number e.g. in the header of your hotel list.

One download is available per booked room.

3. Your personal route book

This will take you to your personal route book.

Please update your route book shortly before your journey, to be able to access the latest version.

Tapping on the image will take you to the content.

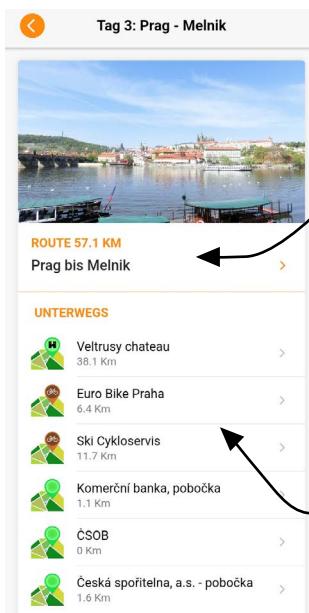

4. Itinerary

After selecting the day's stage, you will be taken to your corresponding itinerary.

Please read the important general information!

INSTRUCTION TRAVEL APP

5. Navigation

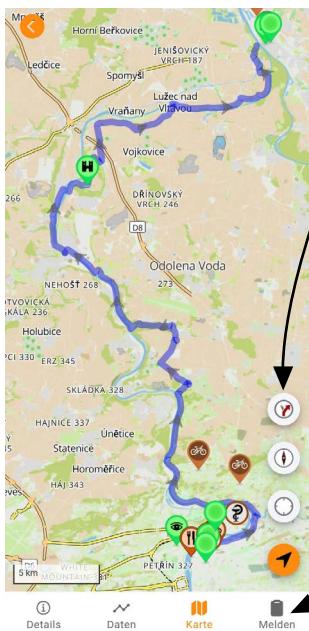

For route navigation, please select the „Route“ item.

You will see important points of interest along today's route such as

- restaurants,
- places of interest,
- bicycle repair shops,
- banks, etc.

7. Voice instructions

By activating the navigation, you will receive voice instructions during the route for orientation.

If you get off the specified route more than 50 m a warning signal will sound.

The „Report“ item allows you to give us direct feedback during the journey (such as route blocking, important tips, further suggestions for improvement).

9. Further notes

In order to extend the runtime of your battery, we recommend that you deactivate the use of mobile data. You can use the app in offline mode after downloading.

Please make sure that your GPS localisation is switched on.

Please update your route book shortly before the journey to be able to access the latest version.

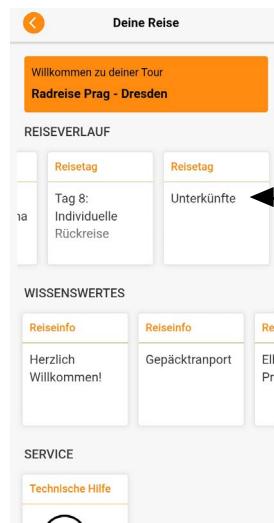

6. Route & text description

After selecting the route you will get to the route details with text description.

The map view can be seen after having chosen the corresponding selection.

8. Accommodation

An overview of your booked accommodation can be found in the menu under the corresponding item. The period of your overnight stay is on your hotel list (received in paper form).

YOUR OPINION IS IMPORTANT TO US!

Please help us to improve this route book and fill in the following questionnaire:

<https://www.augustustours.de/en/feedback-travel-app>

Thank you very much!
