## CYCLING HOLIDAYS PRAGUE – DRESDEN

The cycling holiday connects two significant cultural and historical cities. Capture the flair of the golden city Prague before you set out on your way, through the rural landscapes of the Czech Republic to Germany.

### Day 1: Individual arrival in Prague

Prague can easily be reached by airplane or train. If you wish to travel by car, we recommend to drive to Dresden and to use our convenient transfer service from Dresden to Prague. For the duration of the tour you can leave your car in the car park next to our partner hotel.

### Day 2: Stay in Prague

Prague, 'The Golden City', has plenty to offer. Visit the Old Town Square and watch the Astronomical Clock. Walk over the famous Charles Bridge with its sixteen arches to the Hradčany. You can easily explore the historic centre by foot and the friendly atmosphere in the shops, cafes and wine bars make it a delightful place to visit.

### Day 3: Prague – Melnik (approx. 55 km)

Along the river Vltava you will cycle to

Melnik – the centre of the Bohemian wine route. Melnik castle is the perfect place to watch the confluence of the rivers Elbe and Vltava.

### Day 4: Melnik – Litomerice (approx. 45 km)

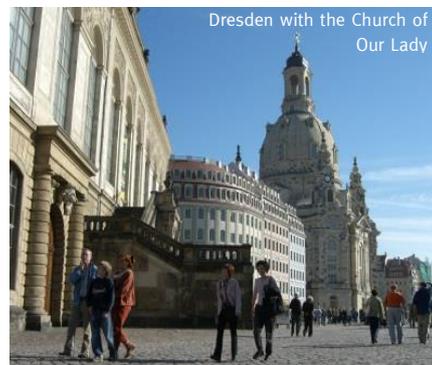

From now on the Elbe will guide your way to Dresden. Passing Roudnice and the former fortified town Terezin you will reach Litomerice. End the day with a stroll through the charming old town with its Gothic, Baroque and Renaissance style buildings.

### Day 5: Litomerice – Decin (approx. 50 km)

Today's leg will take you to Decin via Usti nad Labem. On the way you will pass Strekov Castle. In Decin we recommend you to visit the baroque castle on top of a rocky hill offering wonderful river views and where Frédéric Chopin went to search for inspiration.

### Day 6: Decin – Bad Schandau/Pirna (approx. 21/44 km)

From Decin you will be cycling on the left bank of the river and soon reach Germany. Now the bizarre rock formations of the Elbe Sandstone Mountains rise to the left and right of the Elbe. Enjoy the fairy-tale like landscape while riding on your bike.

Dresden with the Church of Our Lady

### Day 7: Bad Schandau/Pirna – Dresden (approx. 45/22 km)

The last leg of your cycling holidays first takes you past the Königstein fortress and the Bastei viewing rock. Shortly before reaching Dresden visit the famous Pillnitz Palace & Park. From here it is only a short distance along the cycle path before you reach Dresden. The historic town centre is perfect for a relaxed evening walk and for having a pleasant farewell dinner in one of the many local restaurants.
