## CIRCULAR TOUR THROUGH THE MÜNSTERLAND

### 1. Day: Individual arrival in Münster

Welcome to Münster – the Centre of the Münsterland region! Take some time to visit the Old town and see the marketplace, the beautiful gabled houses, the old city hall and the former bishop's palace.

### 2. Day: Münster – Schöppingen (approx. 51 km)

Imagine you've just hopped on the bike and are already at the first of many sights: the beautiful Hülshoff palace. Afterwards you will continue your bike tour passing Havixbeck, the sandstone museum and if you wish climbing the Longinus Tower, the highest elevation in the Münsterland. You can also look forward to visiting the Cathedral of Billerbeck, the moated castle Darfeld and the flower-covered pilgrimage church Eggerode.

### 3. Day: Schöppingen – Zwillbrock (approx. 60 km)

The today's cycle route passes occasional farmhouses, far removed from its neighbors, before arriving in Ahaus. As you keep on going you will reach the borderline to Holland. Mystical moors and pastures will accompany you

on the way to the Zwillbrocker Venn national park.

**4. Day: Zwillbrock – Raesfeld (approx. 60 km)** On the fourth day of your cycling holidays you will enjoy the advantages of cycling throughout the biker's paradise of Holland. Your cycle tour will lead you through narrow alleys, on beautiful bike paths and along small rural roads to Winterswijk and the "Antique City" Bredevoort.

**5. Day: Raesfeld – Coesfeld (approx. 51 km)** Today you will cycle along the "Road of 100 palaces" and this designation is no exaggeration. Just after leaving Raesfeld, you will be greeted by a beautiful moated palace: As you enter the tree-lined avenue leading to Wasserschloss Lembeck, you feel something special awaits you. In Coesfeld, we suggest a visit to the Stephanus brewery.

**6. Day: Coesfeld – Seppenrade/Lüdinghausen (approx. 52 km)** Today you'll pass through Nottuln, a scenic town with a barock center. After a

few kilometers of rolling hills, you'll be back on the flatland, following the Münsterland cycle path via Senden and castle Kakesbeck to Lüdinghausen.

**7. Day: Seppenrade/Lüdinghausen – Münster (approx. 55 km)** Highlight of your today's cycle tour will definitely be the visit to the Nordkirchen castle, known as the "Versailles of Westphalia." After admiring the superb interior decoration of the palace you will continue along the "Road of 100 palaces", passing the Romberg and Byink houses and the Davensberg castle.
