CYCLING HOLIDAYS EAST FRISIA ISLAND HOPPING

1. Day: Individual arrival in Emden

On arrival day you will have a welcome briefing in the afternoon. Afterwards you receive your rental bikes. Enjoy your time in Emden by discovering its harbour, the art hall and the "Otto" house.

2. Day: Excursion to island Borkum

Already on your first day the island hopping starts. By ferry you get in two hours to the island of Borkum, the biggest east-Frisian Island with an offshore climate. Explore the island on 130 km bike paths or cycle along the 28 km long sandy beach.

3. Day: Emden – Norden (approx. 55 km)

Today you cycle to the picturesque fisher village Greetsiel. It is the biggest crab-fisher port of Weser-Ems region. Don't

pass by without having a couple of shrimps. Past the bay of Ley – where you might be lucky to spot seals – you cycle to Norden.

4. Day: Excursion to island Norderney

Today again you take the ferry and go in one hour to the island of Norderney, which is the oldest health-bath on the North Sea and has been sought after for more than 200 years by persons looking for recuperation. This island is ideally suited to be explored by bicycle. Enjoy the island, the beach-life and National Park Wattenmeer (mud-flats).

5. Day: Norden – Langeoog (approx. 34 km)

Along old fortresses you cycle to Dornum with its beautiful water castle and on to Bengersiel. From there you go by ferry to the island of Langeoog. Enjoy your two overnights on this car-free island!

Tours that are as individual as you!

6. Day: A day on island Langeoog Discover the beauty of this island where singer Lale Andersen (Lili Marleen) lived. Unique are the sand dunes, which are sometimes even 20 metres high. Enjoy the flair of the island, the healthy air and relax during your bike tour or at the beach.

7. Day: Island Langeoog – Aurich – Emden (approx. 65 km) You leave Langeoog in the morning. Back on the main land you cycle along the Ems Jade canal which leads you nearly car-free to Emden.
