## WINTER HIKING TOUR SAXON SWITZERLAND 5 DAYS

### Brief information on the tour

It can get pretty busy at the end of the year ... Why don't you ease up, **treat yourself to a little time out** and enjoy the winter idyll in Saxon Switzerland. The latter is also a **worthwhile destination in winter!** When it's freezing cold outside, the paths are empty and you can enjoy impressive views of a **magical winter landscape**.

You can look forward to a **cozy and enjoyable stay** in carefully selected accommodations. On particularly icy days, visit the pleasantly warm thermal spa in Bad Schandau and enjoy dinner at the hotel in the evening.

**Note:** Depending on the weather, you should also be prepared for wintry conditions on the hiking trails in Saxon Switzerland. The paths are usually not cleared of snow and ice. The hike is at your own risk and peril.
